

HENDRIXON MOLDES

+639 66 766 3499 | Poblacion, Pamplona, Camarines Sur, 4416 | hendrixonnolloramoldes@gmail.com | LinkedIn: [Hendrixon Moldes](#)

SUMMARY

Motivated and versatile Information Technology graduate with technical, leadership, and organizational skills. Experienced in front-end development, UI/UX design, cloud technologies, and network administration through certifications from AWS, Cisco, and Google Cloud. Demonstrated ability to lead and adapt through university leadership roles, project management, and community service work. Skilled in balancing academic, professional, and extracurricular responsibilities with a commitment to continuous learning, innovation, and service excellence.

EDUCATION

Bachelor of Science in Information Technology University of Nueva Caceres Naga City, Camarines Sur	June 2025
Technical-Vocational Livelihood Track (TVL) - Computer Systems Servicing (CSS) Pamplona National High School Pamplona, Camarines Sur With High Honors	August 2021

EXPERIENCE

Salesforce Developer TheSmartBridge Telangana, Gachibowli Flyover, India Internship - Developed Salesforce CRM solutions using Apex, Visualforce Pages, and Lightning Web Components (LWC). - Completed modules in data modeling, declarative automation, and security best practices. - Built and deployed a capstone project integrating Salesforce automation tools and Lightning components to solve real-world CRM challenges. - Collaborated with a virtual development team to simulate agile sprint cycles and requirement validations.	March 2025 - May 2025
Special Program for Employment of Students (SPES) Local Government Unit of Pamplona Pamplona, Camarines Sur Internship - Validated and processed applications for over 50+ beneficiaries for the AICS program, ensuring accuracy and compliance with guidelines. - Conducted in-depth needs assessments for 40+ AICS beneficiaries weekly, utilizing active listening to identify urgent requirements and refer them to relevant government and NGO resources. - Developed skills in attention to detail, empathy, and effective communication, gaining valuable insights into public service and social welfare programs.	May 2021 - August 2021

SKILLS

Technical Skills

- UI/UX Designer
 - Skilled in creating intuitive, user-centered designs for web and mobile applications.
 - Proficient in wireframing, prototyping, and user flow development.
 - Familiar with tools like Figma, and usability testing techniques.
- Web Development
 - Strong expertise in front-end and back-end web development using HTML, CSS, JavaScript, and frameworks like Flutter and React JS.
 - Capable of building responsive, user-friendly websites and web applications with a focus on performance and accessibility.
 - Familiar with RESTful APIs, version control (Git), and modern development workflows for efficient web deployment.
- Frontend Developer
 - Builds responsive and dynamic user interfaces using Flutter and web technologies.
 - Experienced in integrating APIs and optimizing performance for mobile and web apps.
 - Strong understanding of modern design principles and cross-platform development.
- Software Engineering
 - Proficient in designing, developing, and maintaining robust software solutions using industry best practices and modern development tools.
 - Skilled in object-oriented programming, software architecture, and agile methodologies to deliver scalable and efficient applications.
 - Experienced in debugging, testing, and optimizing code for performance and reliability across diverse platforms.
- AWS Academy
 - Completed foundational and cloud practitioner training under AWS Academy.
 - Knowledgeable in core AWS services like EC2, S3, and IAM.
 - Basic skills in deploying, managing, and securing cloud-based solutions.
- Google AI Prompt Design in Vertex AI Skill
 - Trained in creating effective AI prompts within Google Vertex AI environment.
 - Understands prompt engineering strategies for optimizing model outputs.
 - Applies best practices for leveraging AI models in real-world scenarios.
- Cisco Certified Network Associate (CCNA)
 - Certified in configuring, managing, and troubleshooting small to medium-sized networks.
 - Knowledgeable in networking fundamentals, security, and automation basics.
 - Hands-on experience with routing, switching, and network protocols.
- Salesforce Development
 - Skilled in customizing Salesforce CRM using Apex, Visualforce, and Lightning components.
 - Experience with Salesforce data modeling, process automation, and integrations.
 - Familiar with Salesforce development lifecycle and best practices.

Personal Skills

- Leadership
 - Headed and sub-headed events in the university as a student council.
 - Handles the University Band newbies during the summer training and evaluation.
 - Lead and worked with different projects among the department.
- Management and Organizing Skills
 - Successfully manages academic responsibilities, student council activities, and University Band duties.
 - Organizes various tasks and did not let it to clutter at most times.
 - Takes responsibility for commitments and occurrences and faces it wholeheartedly.

- Flexible and Adaptable
 - Exposed and communicated to different people with different backgrounds and upbringings.
 - Worked to different projects in different committees and managements.
 - Adapts to the environment where the project or activity takes place and who will be worked with.
- Good Work Ethic
 - Manages time in a good manner that balances academic, personal, and professional aspects.
 - Reliable on taking actions with consistency and resiliency.
 - Creates safe space for respect to others at all times.

PROJECTS

CareerPathLink: Career Center Management System (CCMS) |

2024 - 2025

Capstone Project, University of Nueva Caceres

- Led the end-to-end development of a comprehensive full-stack web platform to modernize career services for 4+ key user groups (students, graduates, employers, administrators), addressing critical process inefficiencies.
- Engineered the system architecture using Flutter (Frontend), PHP (Backend), and MySQL (Database), deploying a scalable, modular solution with 4 integrated modules: Recruitment & Placement, Career Coaching, Work-Integrated Learning (WIL), and Employment Tracking.
- Implemented Agile Scrum methodology, facilitating sprint planning, daily stand-ups, and iterative reviews, which resulted in a highly accepted MVP as measured by the ISO 25010 software quality standard during User Acceptance Testing (UAT).
- **Keywords:** *Full-Stack Development, Flutter, PHP, MySQL, Agile Scrum, Project Management, System Architecture, UI/UX Design, ISO 25010, User Acceptance Testing (UAT), Requirements Analysis, BPMN, Data Flow Diagrams (DFD)*

HandsMen Threads – “Elevating the Art of Sophistication in Men's Fashion” | Salesforce Developer Virtual Internship, TheSmartBridge

April 2025 – May 2025

- Designed and implemented a custom Salesforce data model to centralize customer, order, and inventory data, significantly enhancing data integrity and business visibility for a men's fashion retailer.
- Automated key business processes using Declarative Automation Tools (Flows) and Apex, reducing manual effort by 80% for operations like order confirmations, loyalty program updates, and low-stock alerts.
- Developed automated solutions including: Record-Triggered Flows for real-time customer loyalty status updates, Scheduled Apex for nightly bulk order processing and inventory updates, and Email Alerts to notify the warehouse team of critically low stock levels.
- **Keywords:** *Salesforce Development, CRM Customization, Data Modeling, Declarative Automation, Apex, Apex Triggers, Record-Triggered Flows, Scheduled Apex, Process Automation, Data Integrity*

CERTIFICATIONS, TRAININGS, AND LICENCES

- **Salesforce Supported Virtual Internship Program** | Virtual Internship Program - TheSmartBridge (May 2025)
- **AWS Academy Graduate - AWS Academy Cloud Foundations** | Amazon Web Services Training and Certification (October 2024)
- **AWS Academy Graduate - AWS Academy Cloud Developing** | Amazon Web Services Training and Certification (February 2025)
- **AWS Academy Graduate - AWS Academy Cloud Operations** | Amazon Web Services Training and Certification (February 2025)
- **AWS Academy Graduate - AWS Academy Cloud Architecting** | Amazon Web Services Training and Certification (February 2025)
- **Cyber Threat Management** | Cisco (February 2025)
- **Introduction to Cybersecurity** | Cisco (December 2024)
- **CCNA: Introduction to Networks** | Cisco (January 2024)
- **Prompt Design in Vertex AI Skill Badge** | Google Cloud (June 2024)

AWARDS

College	Multiple Qualification Acquisition Program (MQUP) Achiever - Top 2 University of Nueva Caceres 2024 - 2025
	Dean's Lister University of Nueva Caceres 2024 - 2025
Senior High School	With High Honors Pamplona National High School 2020 - 2021

AFFILIATIONS

University of Nueva Caceres Band President - Newbies 2022
School of Computer and Information Sciences College Council Councilor 2022 - 2023
