EXPERIENCE

Sales and Retention Representative

April 2025 – Present

Quantrics Enterprises | Diversion Road, Naga City, Philippines

- Achieved a 95% customer retention rate and 94% First Quality Score by effectively resolving customer concerns related to billing, services, and account management.
- Consistently ranked as a Top Agent for three consecutive months by exceeding sales, retention, and customer satisfaction KPIs in a high-volume telecom environment.
- Increased customer loyalty and protected company revenue by identifying churn risks and recommending tailored retention offers, service upgrades, and value-based solutions.
- Managed customer escalations professionally while maintaining compliance standards and delivering positive customer experiences.
- Demonstrated strong negotiation and relationship-building skills to retain dissatisfied customers and improve long-term account engagement.

Salesforce Developer

March 2025 - May 2025

TheSmartBridge | Telangana, Gachibowli Flyover, India

- Developed CRM workflow solutions and automated business processes using Salesforce tools to improve operational efficiency and data accuracy.
- Collaborated with virtual teams in agile environments to deliver customer-focused CRM solutions and support process improvements.
- Strengthened analytical thinking, technical troubleshooting, communication, and cross-functional collaboration skills.

Special Program for Employment of Students (SPES)

May 2021 - August 2021

Local Government Unit of Pamplona | Pamplona, Camarines Sur, Philippines

- Assisted in validating and processing applications for government assistance programs while ensuring accuracy and compliance with guidelines.
- Conducted beneficiary interviews and needs assessments using active listening and empathetic communication.
- Provided administrative and customer support services to community members and program beneficiaries.
